DEFINITIONS AND INTERPRETATION FOR ENTITY SELF CERTIFICATION

"Account Holder" means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. This is regardless of whether such person is a flow-through Entity. Thus, for example, if a trust or an estate is listed as the holder or owner of a Financial Accounts, the trust or estate is the Account Holder, rather than the trustee or the trust's owner or beneficiaries. Similarly, if a partnership is listed as the holder or owner of a Financial Account, the partnerships is the Account Holder, rather than the partners in the partnership.

A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary or as a legal guardian, is not treated as the holding the account, and such other person is treated as holding the account.

"Account Information" means any information relating to any account of a Customer with any of the RHB Group including without limitation the account number, account balance or value, currency denomination, gross receipts, withdrawals and payments to or from the account and the total gross amount of interest/ profit paid or credited to the account.

"Active Business" refers to entity which derives:

- At least 50% of its gross income (for the previous calendar year) from these business activities and not from passive income such as investments, dividends, interests/ profit, rents or royalties; and

"Authority" means any national, state, or local government, any political subdivision thereof, any agency, authority, instrumentality, whether judicial or administrative, regulatory or self-regulatory organisation, law enforcement body, court, central bank or tax or revenue authority in any jurisdiction whether inside or outside of Malaysia.

"Controlling Person" are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity, the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, a person(s) in equivalent or similar positions will be the Controlling Person(s).
